

software programs a uniform software program so that all the clerks of the court around the state will have the resources they need for keeping an up-to-date list and this whole system has to be up and running by October 1st of '86 or we are going to be penalized up to \$4.5 million and thereafter if it is not effectively undertaken, as I understand it, we are subject to federal penalties.

SPEAKER NICHOL: Time is up.

SENATOR SCHMIT: Thank you, Senator Hoagland. I will have more to say on it later.

SPEAKER NICHOL: Okay, you have an amendment, Mr. Clerk.

CLERK: Senator Hoagland, your amendment on 2415, Senator, you want to withdraw that? Mr. President, Senator Hoagland would move to amend the committee amendments. (Hoagland amendment appears on pages 2468-69 of the Legislative Journal.)

SPEAKER NICHOL: Okay, Senator Hoagland.

SENATOR HOAGLAND: This amendment basically is to correct an oversight in the committee. This amendment provides that the collection of child support incentive funds go back to the counties that were responsible for the collections to make it clear that the federal child support incentive funding will remain where it has been, it will go where it has been going in the counties that have effective child support collection systems right now. It was an oversight in the committee not to have adopted this amendment. This will preserve the status quo in terms of the distribution of federal incentive funds. I would ask for its adoption.

SPEAKER NICHOL: Did anyone wish to speak to the amendment just offered? I have three or four lights on. If not, the question is...Senator Hoagland, did you wish to close? The question is the adoption of the amendment to the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 11 ayes, 0 nays, Mr. President, on adoption of the Hoagland amendment to the committee amendments.

SPEAKER NICHOL: The amendment to the amendment is adopted.
